Annual Report - 2023

- 1. Youth Day Celebration (January 12):** On 12th January 2023, National Youth Day was celebrated with a seminar on "Youth in Leadership and Sustainable Development" in Yadgir. Youth leaders discussed innovations in technology and rural entrepreneurship, inspiring local students with success stories and career mentorship.
- 2. Republic Day Celebration (January 26):** On 26th January 2023, Republic Day was commemorated in Kalaburagi with a flag-hoisting ceremony and a street play promoting civic responsibility, democratic values, and women's empowerment.
- 3. World Cancer Day (February 4):** On 4th February 2023, a cancer awareness campaign in Yadgir involved health experts providing free screenings and talks on early detection and lifestyle changes. Over 150 residents attended, and follow-up medical consultations were arranged.
- 4. International Women's Day (March 8):** On 8th March 2023, International Women's Day was observed in Kalaburagi. The event highlighted women's achievements in community leadership and business. Entrepreneurs shared success stories, and a workshop on financial independence was conducted.
- 5. Digital Empowerment Workshop (April 15):** A digital literacy workshop on 15th April 2023 in Shahapur introduced rural women and students to mobile banking, online safety, and government e-services, fostering digital inclusion.

6. **Food and Nutrition Drive (May 5-10):** From 5th to 10th May 2023, food distribution drives focusing on balanced nutrition were conducted for low-income families in Gurmitkal, Yadgir. Nutritional counseling sessions were also held to promote healthy diets.
7. **International Labour Day (May 1):** On 1st May 2023, labourers in Kalaburagi were celebrated with a distribution of safety kits and interactive sessions on labor rights, workplace safety, and government welfare schemes.
8. **Environment Day (June 5):** On 5th June 2023, a mass tree plantation drive was organized in Kalaburagi. School students planted 500 saplings, and experts conducted a session on water conservation and waste management.
9. **National Doctor's Day (July 1):** On 1st July 2023, doctors in Yadgir were honored for their dedication to healthcare. The program featured a panel discussion on improving rural health access and mental health support.
10. **Independence Day Celebration (August 15):** On 15th August 2023, Independence Day was celebrated in Kalaburagi with a cultural program, a parade of local school children, and speeches on sustainable national development.
11. **Teacher's Day Celebration (September 5):** On 5th September 2023, teachers in Yadgir were honored for their dedication to education. The celebration included a creative writing competition and a discussion on integrating technology in classrooms.
12. **Agricultural Innovation Fair (September 18):** On 18th September 2023, an agricultural fair was held in Kalaburagi, showcasing organic produce and modern irrigation techniques. Farmers participated in demonstrations and knowledge-sharing sessions.

13. **Gandhi Jayanti (October 2):** On 2nd October 2023, a campaign in Yadgir focused on plastic waste reduction. Workshops on composting, making reusable bags, and eco-friendly alternatives were conducted.
14. **Mental Health Awareness Initiative (October 15):** A mental health awareness program in Yadgir on 15th October 2023 aimed to reduce stigma around mental health issues. Free counseling services and informational resources were provided.
15. **Diabetes Awareness Program (November 14):** On 14th November 2023, a health camp in Kalaburagi focused on diabetes prevention. Dieticians offered personalized consultations, and participants received free health kits.
16. **Children's Day (November 14):** On 14th November 2023, Children's Day was celebrated in Shahapur with storytelling, fun activities, and distribution of educational kits. Workshops on child rights and health awareness were also included.
17. **World AIDS Day (December 1):** On 1st December 2023, an HIV/AIDS awareness campaign in Yadgir included testimonials, prevention strategies, and free medical testing.
18. **Kisan Divas (December 23):** On 23rd December 2023, Farmers Day was celebrated in Kalaburagi, focusing on climate-resilient farming. Awards were given to innovative farmers, and sessions on market access strategies were organized.
